K00092 ICE DEFLECTOR KIT

Installation Instructions

The K00092 ice deflector kit must be used with the J-1300 and J-1800 ice machines, when the ice machine is used on a non-Manitowoc ice storage bin or dispenser.

1. Remove front panel.
2. Remove two thread-cutting screws from the left-hand side and two screws from the center panel of the machine.
3. Install the ice deflector with the four supplied thumbscrews, as shown.
4. Replace front panel.
