Manitowoc® Parts & Service Communicator

Subject: Flake/Nugget Couplers

The flex jaw coupler has been replaced by a new coupler with two splined hubs. The coupler and splined hubs come as a kit and will not be sold individually. The evaporator foundation is sold separately.

The flex jaw couplings are no longer available, please order the current number when replacement is necessary.

Model	Current Numbers	Obsolete Number
QF400 QF800 QC700	Coupler with Splined Hubs - 000003060 Foundation - 30-0028-3	Flex Jaw Coupler - 76-0076-3 Splined Hubs - 76-0077-3
