Manitowoc® **Parts & Service Communicator**

Subject: 30” Ice Machines with Aluminum Top Rail

If a 30” machine needs replacement of any of the parts listed *and* has an aluminum top rail, all parts listed must be replaced. Aluminum top rails are not compatible with the current parts. If the machine has a plastic top rail, you only have to replace the part needed.

Model	Left Door	Right Door	Top Rail	Top Cover
S300	607159-1	607162-1	00000295	40-1548-3
S450/S500/S600	607165-1	607166-1	00000295	40-1548-3
S850/S1000	607121-1	607122-1	00000295	40-1548-3
S1200	607169-1	607170-1	00000295	40-1548-3
*Applies to Air, Water, Remote and QuietQube models, refer to parts manual for Prison & Marine part numbers.				

All parts manuals have been updated.
